

## TWO HAWAIIAN SONGS MAKE BIGGEST HITS

Letters received here from the Royal Hawaiian band indicate that the organization is having considerable success. The letterheads and envelopes used by the band are very gaudy affairs, and yet attractive. The envelope design comprises the words "Royal Hawaiian Band" in red and yellow. The flag of Hawaii, the coat-of-arms and the American eagle and shield are shown in several colors and at the bottom of the vignette are the words: "Hawaii, the Paradise of the Pacific."

W. S. Ellis writes from Piedmont Park, Alameda County, under date of June 4:

"Everything is a big hit so far. Jack (Ellis) is singing a great robusto tenor. By the way 'Old Plantation' and 'Honolulu High' are the biggest hits of all the songs. Miss Brown, our lady vocalist (Lei Lehua) has done remarkably well considering the short time she has been singing."

The Oregon Journal says of the coming of the band to that city:

The famous Royal Hawaiian band from Honolulu, which made so profound a success last year at the exposition, is to come to Portland next Thursday for a series of concerts at the Heilig theater.

Arthur A. Lotto, business manager of the band, arrived in Portland this morning from San Francisco and reported that the band was giving open-air concerts in the Greek theater, University of California, in aid of the relief funds for the sufferers from the recent disaster in San Francisco.

In speaking of the Royal Hawaiian band, Manager Lotto said:

"The band has been increased to 60 members, and the enterprise is under the management of representatives of the Hawaiian government. This is the first time that the band has been allowed to leave Hawaii for any length of time and the tour will embrace the entire United States and Europe. The fact that Portland gave so generous a welcome to the band last year at the exposition carried weight with the territorial government and we have secured permission for the present tour to be made. The Hawaiians are looking forward with extreme pleasure to their visit to Portland, as they remember the many kind acts of the people in this city. When I left the band on Thursday all the boys gathered around me and said, 'Give our aloha to the people in Portland.'"

## FINE IMPROVEMENTS AT SEASIDE HOTEL

The improvements that are being made at the Honolulu Seaside Hotel are rapidly nearing completion, and Manager Church expects to throw the doors open to the public on Saturday, June 30th, when a ball will be given on the beautiful lanai that has been built for that purpose. The old kitchen and old bar building, more familiarly known as the "chicken coop," are things of the past and a modern kitchen, diningroom and buffet will offer the Honolulu and traveling public the best that can be had. One very important feature is the small farm addition, as the table will be supplied with poultry, eggs, squabs, frogs, mullet, vegetables, etc., from the premises. This will give the Seaside an advantage over less fortunate competitors. Light Canadian paddling canoes, Hawaiian canoes or surf-boards can be rented at a nominal figure. On Wednesday evening next the grounds will be lighted up for the first time in their remodeled condition, the Governor giving an elaborate dinner on that day. The Seaside will fill a long-felt want and with the Moana will be able to satisfy any traveler that may wish to sojourn on our shores. It will be good news to automobilists that the large building formerly used as a stable, will be used as an auto-shelter. Thus, in case of a shower, the machines will be under cover. A boarding-stable, with large grass paddock adjoining, is another feature that will appeal to those living in the neighborhood who are owners of horseflesh.

### COURT NOTES.

Henry Smith, trustee, has brought a suit to foreclose mortgage against Henry Halli and Kamai his wife. It is on a promissory note for \$250 made at Napoosoo on March 4, 1895, with interest at 12 per cent. per annum, secured by mortgage on lands in South Kona. Interest is said to be delinquent since Sept. 4, 1905. Henry Halli is an inmate of the Insane Asylum and has no guardian. It is therefore requested that a guardian ad litem to represent him in this suit be appointed.

It is ordered by Judge Robinson, in the suit of August Hamburg vs. John C. Searle et al., that complainant shall have until Tuesday next to file his amended complaint.

### DIDN'T FIGURE FOR WILSON.

Editor Advertiser: In the article headed, "Why Wilson Didn't Bid," I am misunderstood in one particular. I did not figure for Mr. Wilson; he is a young man of rare ability and good judgment and does all his own figuring and seeks assistance only as all other contractors are obliged to do when it comes to securing bonds for any work he undertakes.

In other respects your article quotes correctly. JOHN EMMELUTH.

## Newbro's Herpicide

THE ORIGINAL REMEDY THAT KILLS THE DANDRUFF GERM.

"Travelling as I do continuously, I have been troubled a great deal with dandruff and falling hair, and until I tried Herpicide I never found a remedy that was satisfactory.

Herpicide is a delightful preparation that fulfills the claims made for it, and no lady's toilet is complete without it. I highly recommend it to my friends."

(Signed) ANNIE OAKLEY.

It is certainly significant that Miss Oakley, the celebrated rifle shot and theatrical star, who has travelled so extensively abroad, should choose Newbro's Herpicide as the most efficacious toilet remedy for the scalp. No one will doubt her opportunity to choose the best and those who have seen the natty and winsome Miss Oakley, will not doubt her power of discrimination in matters of this sort.

Newbro's Herpicide is a scientific germicide and prophylactic for the hair and scalp, it destroys the germ of microbe that causes dandruff, itching scalp and falling hair, after which the hair will grow as nature intended, except in cases of incurable baldness. Extraordinary results sometimes follow the continued use of Newbro's Herpicide.

If your hair is dull, brittle or lustreless, don't wait until it begins to fall, but save and beautify it with Newbro's Herpicide. In addition to its wonderful medicinal qualities, Newbro's Herpicide is the daintiest and most delightfully refreshing hair dressing available. The first application proves its goodness. Try it.

Herpicide contains no grease, it will not stain or dye,  
STOPS ITCHING OF THE SCALP INSTANTLY.

## FURNITURE CHEAP

Increased business has forced us to add another store to our large Young Building furniture establishment. This gives us a frontage of 93 feet on Bishop street and depth of 68 feet. We are handling a large quantity of furniture and in this way are setting the pace on prices. We buy in large quantities and thus get our goods from the manufacturers cheaper. We ship in large quantities and are thus enabled to take the cheapest freight rates. This is of interest to you as it means we can sell the goods to you at bedrock prices.

## LOW PRICES NOW

The summer months in Honolulu, particularly the months of June and July, are usually dull as far as furniture is concerned. Now, we have been importing large quantities of goods which have reached us during the last month; the steamer "Nebraskan" brought in a big lot. This rather takes even our 15,000 square feet of show room and warehouse space. We wish to brighten up June and July business this year and also to reduce stock. On this account we are going to cut our profits and move the goods. This means low prices. Come in and tell us of your wants, we can save you some money. There is not one home in Honolulu that is fully furnished—that is not one but what needs an article or two to fill out. What does your home need?

## GOOD FURNITURE

We may be able to tell you. Perhaps you need new feather pillows or mattresses for your beds, and possibly a new bed would be better and more sanitary than the one you have now? Another chair for bedroom, diningroom or kitchen? A new dining set or some odd pieces for your parlor? New shades for your windows?

In bedroom sets we have some really dainty pieces in Mahogany, Curly Birch, Birdseye Maple and Golden Oak and many odd bureaus in all kinds of woods.

We have everything you need in the house furnishing line. Furnish your home better and reap big enjoyment dividends thereon.
